

BILINGUALS INC.
CHILD & PARENT SERVICES

ABOUT US

Bilinguals Inc was founded in 1995 by Dr. Trudy Font Padron, PhD. Bilinguals is dedicated to provide quality English and Bilingual evaluations and therapeutic and education services to children ages 0 to 5 years old. We use a family-centered and multilingual approach to ensure parents that their child's developmental needs are met in a nurturing and supportive environment.

Bilinguals Inc understands the challenges of raising a child with development delays. It is particularly demanding for families that speak languages other than English. We provide a supportive environment for families from the initial evaluation process through the preschool and school age transitions.

We pride ourselves in our ability to provide bilingual therapeutic services in more than 45 languages. Bilinguals Inc. is committed to matching clinicians with the cultural and bilingual needs of each family. We are determined to help each child achieve his or her highest potential.

Our agency provides educational and therapeutic services to children. We offer coordination in initial evaluations as well as follow-up sessions and provide services in the predominant language of the child in both home and community settings.

- * Speech Language Therapy
- * Occupational Therapy
- * Physical Therapy
- * Special Education
- * Autism Services
- * Counseling

CHILD & PARENT SERVICES

FALL / WINTER WORKSHOPS

DAYC / PES

This workshop prepares special educators on how to administer and score the DAYC; interpret results; make recommendations based on percentages of delay; and how to record the results into a progress report.

Date: Wednesday, September 29th 2010

Time: 6:30 PM-8:00 PM

Fee: Free for Bilinguals Providers, \$10 for Everyone Else

Community Outings

Join us in exploring education outside of the classroom and the home! Community outings are an essential and often overlooked component of ABA programming. This training will provide strategies to use when exploring community outings with students of all ages. Topics include prerequisite skills, importance and purpose of community outings, as well as the challenges that one might face. In addition, suggestions for specific outings and data collection procedures will also be addressed.

Date: Tuesday, October 5th 2010

Time: 6:30 PM - 8:00 PM

Fee: Free for Bilinguals Providers, \$10 for Everyone Else

Ethics

Suffolk County Division of Services for Children with Special Needs has established a professional code of ethics for early childhood service providers entitled "Implementing Professional Boundaries" that must be adhered to when treating any preschool or early intervention child. This training will review these guidelines.

Date: Wednesday, October 6th 2010

Time: 5 PM - 7 PM

Fee: Free for Bilinguals Providers, \$10 for Anyone Else

Parent Training

Date: Tuesday, October 26th 2010

Time: 6:30 PM - 8 PM

Fee: Free for Bilinguals Providers, \$10 for Anyone Else

Data Collection

This workshop outlines data collection procedures utilized at Bilinguals Inc. Topics included are baseline data, probe data, and trial by trial data. Multiple opportunities will be provided to practice taking data and observe videos of providers taking data during therapy sessions.

Date: Tuesday, November 1st 2010

Time: 6:30 PM - 8 PM

Fee: Free for Bilinguals Providers, \$10 for Anyone Else

Making Sense Of It All

This workshop is an all day training that will help you "make sense" of everything from the start of a case, to developing the data book, knowing how to implement programs, running amazing manding sessions, and having "fun" and productive sessions. This workshop should be completed after attending the Introduction to ABA & 4 in 1 Training.

Date: Thursday, November 18th 2010

Time: 9 AM - 4 PM

Fee: Free for Bilinguals Providers, \$25 for Anyone Else

www.bilingualsinc.com

4 in 1 Training

This is the combination of our Data Collection, Table Time, Manding, and Video Observation workshops. If you have had formal ABA training from another agency, completing this workshop will fulfill the mandatory training requirement for new ABA providers. This workshop also fulfills the observation / hands on training hours required for the ABA Module / Tier 1 exam in Nassau and Suffolk County.

Date: November 19th, 2010

Time: 9AM-4PM – Registration begins at 8:30AM

Fee: \$25 for Bilinguals Inc. providers, \$100 anyone else

Advanced Behavior Management

This Training will take it a step further than an introduction to behavior management. You will learn to develop new skills for problem solving to help find solutions for problem behavior. Participants will receive instruction in direct and indirect measures for the development of Functional Behavioral Assessments along with material designed to guide them through the process. They will be introduced to various forms of behavioral data, taught how to analyze it and then learn to interpret and write a Behavior Intervention/Support Plan (BIP/BSP). A variety of handouts will be provided in order to facilitate immediate use of the skills learned at this workshop.

Date: Wednesday, January 19th, 2011

Time: 9 AM - 1 PM

Fee: \$25 fee for everyone

Manding

Date: Tuesday, February 15th, 2011

Time: 6:30 PM - 8 PM

Fee: Free for Bilinguals Inc providers, \$10 everyone else
